Initial meeting of Consortium members (kick off meeting), was held on November 11th and 12th 2011, at Faculty of Engineering , University of Kragujevac.

The purpose of the kick off meeting was to build a common understanding of the goals and objectives for the **DIAUSS TEMPUS project** within the project consortium, to discuss project implementation in the future, project partner responsibilities and all other technical details. Each member of the project consortium has understood specific project objectives, means and actions leading to their achievement, its respective roles and responsibilities, planned outputs and outcomes, and agreed with the list of measurable indicators of progress in the project implementation and breakdown of the project costs among the partners.
