Friday, 25 January 2013 12:35 - Last Updated Saturday, 06 April 2013 11:59

Representatives from UNS prof. Darko Reba and prof. Milica Kostres visited University of Kragujevac on 23-01-2013. The meeting was dedicated to the discussion about future dissemination activities of developed study programs of urban engineering and analysis of reviews of urban engineering study programs performed by EU partners (VGTU and TUKE).
