Four representatives from VGTU (dr Edita Šarkiene, dr Mindaugas Staniunas, dr Gitana Vaitkeviciene and dr Vytautas Palevicius) visited Serbia (SKGO and UKG) from 22nd to 26th of April.

Several meetings were dedicated to (financial and operational) management. With the participation of representatives from UNIBO and UNS, one of meetings was dedicated to quality control of the project, with emphasis on the quality of outcomes/results dedicated to urban engineering working packages and expected results till the end of the project. The meeting was also part of inter-tempus coaching with

543662-TEMPUS-1-2013-1-ME-TEMPUS-JPHES-EQIWBC "Improvement of partnership with enterprises by enhancement of regional quality management potentials in WBC" project.

Beside the lecturers from VGTU: Mindaugas Staniunas and Vytautas Palevicius held a presentation to teachers from UKG and UNS and 20 students of Urban engineering study programs at UKG entitled "Transport system integration into urban development planning process".
