SAJAM TEHNIKE

Study programs of urban and automotive engineering accredited at Faculty of Engineering, UKG were presented at 56th INTERNATIONAL FAIR OF TECHNIQUE AND TECHNICAL ACHIEVEMENTS (UFI) that was traditionally held at premises of Belgrade fair from 14th to 18 May 2014. The International Fair of Technique and Technical Achievements is the most important economic and technological event in Serbia and the South East Europe, which has got a great influence upon the future industrial development in the country and region. This is a traditional (since 1937) meeting and business contact point, which enables numerous exhibitors and visitors to satisfy their business expectations.
