Syllabi of automotive engineering study programs

An outline and summary of topics to be covered in bachelor and master automotive engineering study programs developed during DIAUSS project realisation is presented. A syllabus for every subject contains specific information about the course, such as information on the lecturer and teaching assistants; an outline of what will be covered in the course; a schedule of test dates and the due dates for assignments; the grading policy for the course; specific classroom rules; etc:

Bachelor UKG Ser
